## Sports round up *Intermediate Boys Soccer*

On what turned out to be a glorious sunny day, the intermediate boys soccer team geared up to battle a number of our neighbouring schools at Rupert Wallace Reserve. The bus ride was tense as Ror psyched himself up with the new Lady Gaga album bursting through his headphones.

Our first game was against the boys from John Fawkner and the initial signs were extremely positive. Nahil led from the front in the midfield, keeping possession and linking up with other players such as Matthew and his baby brother Fahmi. Fitzzy had a plethora of scoring chances throughout the game, with Abdi providing the razzle-dazzle upfront. Although the end result saw our boys go down 1-0, team morale was brimming and there was some real belief and excitement amongst the playing group.

The next task was daunting, taking on the very talented and well drilled Brunswick side. The superhuman defensive efforts of our Goal Keeper Jack was team lifting, as other players including Stefano and Austin curtailed the majority of Brunswick's advances. Mohamed looked dangerous as he dabbled in offside territory, however our boys again couldn't hit the back of the net and conceded defeat 3-0.

The last game of the fixture introduced Fitzzy to the more physically mature and well-developed men from Glenroy. The physical stature and presence of Glenroy didn't phase our boys one iota, as Halil (with his red cap on) and Kyle consistently turning the heat up on the fairly tired and lethargic opposition. In what could only be described as a controversial decision, a penalty was awarded to the Glenroy team in which they made no mistake and smoked it into the back of the net. Our boys continued to mount offensive pressure resulting in some frustration from the Glenroy outfit.

All boys in the squad need to be commended on their sportsmanship, application and most of all their humility, as the effort they demonstrated on and off the pitch was exceptional.

## Cross Country

On Friday the 6<sup>th</sup> of June twenty-five enthusiastic, excited and eager Fitzroy High students competed at the Inner North Metropolitan Cross Country meet. Taking their place at the starting line students competed in a 3km or 5 km race (age dependant) that pitted them against the best of the best in the division.

Running rings around the competition were two FHS boys: Mo T-D claimed victory in the U13 followed by Alfie S who came in second by a nose hair. Other place getters include Mick P and Rex W, both claiming first position in their respective age group.

All students must be commended on their fantastic participation, sportsmanship and behaviour. Finally, a big thank you to the weather - its temperamental nature holding out until all races were complete made the day super fun.

**Loyal Faour**

## Junior Girls Netball

Wednesday June 8<sup>th</sup> was a great day for Netball as schools converged on the home of the Melbourne Vixens for a gala day of fun. Ten year 7 representatives and nine year 8 girls played their guts out in three round robin games. As always, they were a tribute to FHS showing great sportsmanship in adverse situations.

As coach of the year sevens, it was an absolute pleasure to watch the girls gain confidence throughout the day in themselves and their skills. In the end, the other schools proved too much and victory was elusive. The year eights fared a little better, narrowly succumbing in their games to our local competition.

Thank you to Miranda for her excellent netballing knowledge and again to all the wonderful ladies who put on the FHS colours and had a red-hot crack. Thanks for a great day.

**Neil McLean**

## Interested in supporting students to develop their Literacy and Numeracy skills?

Fitzroy High are looking to employ someone to work with a small group of year 7 students to support them to develop their Literacy and Numeracy skills.

If you have a few hours spare each week and would be interested in helping out, please contact the year 7 and 8 team leader, Jenny Fulford.
