

Dear Parent/Guardian/Carer,

The Senior Program - a senior secondary partnership between Collingwood College and Fitzroy High School is looking forward to another great year of teaching and learning. We are excited to be moving the program to **Wurun Senior Campus** - a shared campus for all our senior secondary students from the beginning of 2022.

We would like to advise you of the Senior Program voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our schools and the programs we can offer.

Within our school this support has allowed us to offer a wider offering of subjects and special curriculum experiences; the opportunity for students to achieve their preferred individual pathway beyond school; enhanced digital learning opportunities; faster WIFI and internet; and the upgrade of our facilities.

Our VCE, VCAL and VET programs are informed by the latest educational research from across the globe and a futures-thinking ethos. The Wurun Senior Campus provides students with opportunities that promote the acquisition of: deep knowledge; transferable skills; connections with the wider community; development of future pathways; innovative learning; and academic excellence. We draw on the values of each school and act on our vision through the motto for Wurun Senior Campus: *inspire, connect and innovate*.
