

5 November 2021

Dear parent/guardian,

Fitzroy High School is looking forward to another great year of teaching and learning and would like to advise you of Fitzroy High School's voluntary financial contributions for Year 7 in 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to offer a wider offering of subjects and special curriculum experiences; the opportunity for students to achieve their preferred individual pathway beyond school; enhanced digital learning opportunities; faster WIFI and internet; and the upgrade of our facilities.

Refunds

Parent requests for refunds are subject to the discretion of the school and made on a case-by-case basis. Refunds will be provided where the school deems it is reasonable and fair to do so, taking into consideration whether a cost has been incurred, the Department's Parent Payment Policy and Guidance, Financial Help for Families Policy and any other relevant information.]

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Linda Mitchell
Principal

Ralph Saubern
SCHOOL COUNCIL PRESIDENT
