### STATEMENT OF COMMITMENT TO CHILD SAFETY AND CHILD SAFETY PRINCIPLES

Fitzroy High School is a child safe organisation which welcomes all children, young people and their families.

We are committed to providing environments where our students are safe and feel safe, where their participation is valued, their views respected, and their voices are heard about decisions that affect their lives. We strive for equity and inclusion. Our child safe policies, strategies and practices are inclusive of the needs of all children and students.

We have no tolerance for child abuse and take proactive steps to identify and manage any risks of harm to students in our school environments.

We promote positive relationships between students and adults and between students and their peers. These relationships are based on trust and respect.

We take proactive steps to identify and manage any risk of harm to students in our school environment. When child safety concerns are raised or identified, we treat these seriously and respond promptly and thoroughly.

Our approach to child safety recognises that particular attention needs to be paid to children who may disproportionately face or are vulnerable to discrimination and disadvantage arising from cultural norms including harmful gender norms, gender inequality, racism, homophobia and ableism. Particular attention is given to gender-based and family violence. Particular attention is given to the child safety needs of Aboriginal students, those from culturally and linguistically diverse backgrounds, international students, students with disabilities, those unable to live at home, children and young people who identify as lesbian, gay, bisexual, trans and gender diverse, intersex and queer (LGBTIQ+) and other students experiencing risk or vulnerability. Inappropriate or harmful behaviour targeting students based on these or other characteristics, such as sexism racism or homophobia, are not tolerated at our school, and any instances identified will be addressed with appropriate consequences.

Child safety is a shared responsibility. Every person involved in our school has an important role in promoting child safety, equity and wellbeing and promptly raising any issues or concerns about a child's safety.

We are committed to regularly reviewing our child safe practices, and seeking input from our students, families, staff, and volunteers to inform our ongoing strategies.

The responsibilities of the Wellbeing & Inclusion Leader/Child Safety Officer are outlined at [Guidance for child safety champions](#).

Our principal and Wellbeing & Inclusion Leader/Child Safety Officer are the first point of contact for child safety concerns or queries and for coordinating responses to child safety incidents.

- The Wellbeing & Inclusion Leader/Child Safety Officer is responsible for monitoring the school's compliance with the Child Safety Policy. Anyone in our school community should approach the Wellbeing & Inclusion Leader/Child Safety Officer and/or the Principal if they have any concerns about the school's compliance with the Child Safety Policy.
- The Wellbeing & Inclusion Leader/Child Safety Officer is responsible for informing the school community about this policy, and making it publicly available
- Other specific roles and responsibilities are named in other child safety policies and procedures, including the Child Safety Code of Conduct, Child Safety Responding and Reporting Obligations (including Mandatory Reporting) Policy and Procedures, and Child Safety Risk Register.

Our school also holds regular Student Support Services Wellbeing Liaison Meetings which identify and respond to any ongoing matters related to child safety and wellbeing. Students have the opportunity to provide input into school strategies.

Our Occupational Health and Safety Committee monitors the Child Safety Risk Register.

## **CHILD SAFETY CODE OF CONDUCT**

Our Child Safety Code of Conduct sets the boundaries and expectations for appropriate behaviours between adults and students. It also clarifies behaviours that are not acceptable in our physical and online environments.

We ensure that students also know what is acceptable and what is not acceptable so that they can be clear and confident about what to expect from adults in the school.

The Child Safety Code of Conduct also includes processes to report inappropriate behaviour.

## **MANAGING RISKS TO CHILD SAFETY AND WELLBEING**

At our school we identify, assess and manage risks to child safety and wellbeing in our physical and online school environments. These risks are managed through our child safety, equity and wellbeing policies, procedures and practices, and in our activity specific risk registers, such as those we develop for off-site overnight camps, adventure activities and facilities and services we contract through third party providers for student use.

Our Child Safety Risk Register is used to record any identified risks related to child abuse alongside actions in place to manage those risks. Our school leadership team will monitor and evaluate the effectiveness of the actions in the Child Safety Risk Register at least annually.

## **ESTABLISHING A CULTURALLY SAFE ENVIRONMENT**

At Fitzroy High School, we are committed to establishing an inclusive and culturally safe school where the strengths of Aboriginal culture, values and practices are respected.

We think about how every student can have a positive experience in a safe environment. For Aboriginal students, we recognise the link between Aboriginal culture, identity and safety and actively create opportunities for Aboriginal students and the Aboriginal community to have a voice and presence in our school planning, policies, and activities.

We have developed various strategies to promote cultural safety in our school community.

For instance, we actively build a strong school culture to support cultural inclusion by:

- beginning events and meetings with an Acknowledgement of Country as a standing agenda item;
- inviting elders in our community to share knowledge, truth and understanding, including Welcome to Country at key events
- flying the Aboriginal and Torres Strait Islander flags on school grounds; and
- displaying plaques and signs to Acknowledge Country and Traditional Owners.

Moreover, we implement our zero tolerance of racism policy by:

- addressing racism from students, staff, volunteers or visitors directly, thereby ensuring that racist speech/actions are always dealt with, and the culture of the school works to prevent incidents from occurring in the first place;
- having a clear pathway for students to report racism
- working closely with our school's KESO to support our indigenous students
- celebrating reconciliation day yearly
- celebrating harmony week, with a focus on the different and varied cultures represented in our school
- having cultural awareness professional learning opportunities for staff
- including Indigenous perspectives and experiences into our Curriculum.

## **STUDENT EMPOWERMENT**

To support child safety and wellbeing at Fitzroy High School, we work to create an inclusive, equitable and supportive environment that encourages students and families to contribute to our child safety approach and understand their rights and their responsibilities.

Respectful relationships between students are reinforced and we encourage strong friendships and peer support in the school to ensure a sense of belonging by implementing our whole school approach to Respectful Relationships, our student Code of Conduct, and through our school values of Trust, Engage and Respect.

We inform students of their rights through our whole school approach to Respectful Relationships, specifically by using our Health and Wellbeing programs to deliver appropriate education to its students about:

- standards of behaviour for students attending the school;
- healthy and respectful relationships (including sexuality and consent);
- resilience; and
- child abuse awareness and prevention.

- Respectful Relationships program in Advisory and Health classes

Further, we give students the skills and confidence to recognise unsafe situations with adults or other students and to speak up and act on concerns relating to themselves or their peers. We ensure our students know who to talk to if they are worried or feeling unsafe and we encourage them to share concerns with a trusted adult at any time. Students and families can also access information on how to report concerns at school reception and the Wellbeing Office. Information is also displayed in team areas.

When the school is gathering information in relation to a complaint about alleged misconduct or abuse of a child, we will listen to the complainant's account and take them seriously, check our understanding of the complaint, support the student and keep them (and their parents and carers, as appropriate) informed about progress.

## **FAMILY ENGAGEMENT**

Our families and the school community have an important role in monitoring and promoting children's safety and wellbeing and helping children to raise any concerns.

To support family engagement, at Fitzroy High School we are committed to providing families and community with accessible information about our school's child safe policies and practices and involving them in our approach to child safety and wellbeing.

We will create opportunities for families to have input into the development and review of our child safety policies and practices and encourage them to raise any concerns and ideas for improvement, by:

- making available online all of our child safety policies and procedures;
- informing families and the school community about any significant updates to our child safety policies or processes, and strategies or initiatives that we are taking to ensure student safety, via newsletters and Compass;

As a child safe organisation, we celebrate the rich diversity of our students, families and community and promote respectful environments that are free from discrimination. Our focus is on wellbeing and growth for all. We recognise that every child has unique skills, strengths and experiences to draw on.

We acknowledge individuals and groups of children and young people disproportionately face or are vulnerable to discrimination and disadvantage arising from cultural norms; including harmful gender norms, gender inequality, racism, homophobia and ableism. We pay particular attention to individuals and groups of children and young people in our community with additional and specific needs. This includes tailoring our child safety strategies and supports to the needs of:

- Aboriginal children and young people
- children from culturally and linguistically diverse backgrounds
- children and young people with disabilities
- children unable to live at home
- children impacted by family violence, gender violence or sexual assault
- international students
- children and young people who identify as LGBTIQ+.

Our Student Wellbeing and Engagement Policy provides more information about the measures we have in place to support diversity and equity.

### **School council training and education**

To ensure our school council is equipped with the knowledge required to make decisions in the best interests of student safety, equity and wellbeing, and to identify and mitigate child safety and wellbeing risks in our school environment, the council is trained at least annually. Training includes guidance on:

- individual and collective obligations and responsibilities for implementing the Child Safe Standards and managing the risk of child abuse
- child safety and wellbeing risks in our school environment
- Fitzroy High School child safety and wellbeing policies, procedures, codes and practices

## **COMPLAINTS AND REPORTING PROCESSES**

Fitzroy High School fosters a culture that encourages staff, volunteers, students, parents, and the school community to raise concerns and complaints. This makes it more difficult for breaches of the code of conduct, misconduct or abuse to occur and remain hidden.

We have clear pathways for raising complaints and concerns and responding and this is documented in our school's Complaint Policy.

If there is an incident, disclosure, allegation or suspicion of child abuse, all staff and volunteers (including school council employees) must follow our Child Safety Responding and Reporting Obligations Policy and Procedures. Our policy and procedures address complaints and concerns of child abuse made by, or in relation to, a child or student, school staff, volunteers, contractors, service providers, visitors or any other person while connected to the school.

As soon as any immediate health and safety concerns are addressed, and relevant school staff have been informed, we will ensure our school follows:

- the [Four Critical Actions](#) for complaints and concerns relating to adult behaviour towards a child
- the [Four Critical Actions: Student Sexual Offending](#) for complaints and concerns relating to student sexual offending

Our Student Wellbeing and Engagement Policy and Bullying Prevention Policy cover complaints and concerns relating to student physical violence or other harmful behaviours.

## **COMMUNICATIONS**
