

18 November 2025

Dear Parent/Guardian,

We would like to advise you of Fitzroy High School's voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard curriculum requirements, and we want to assure you that all contributions are voluntary.

Annual Voluntary Contributions are essential in ensuring we can offer the best possible education learning and wellbeing opportunities for our students. Parent contributions have enabled us to offer more subjects and special curriculum experiences; expanded access to excursions and incursions; supported our wellbeing and inclusion programs; and provided the opportunity for students to achieve their preferred individual pathway beyond school. Contributions have provided enhanced digital learning opportunities, library resources and contributed to needed upgrades of our facilities.

Your support of our school, through your annual voluntary financial contributions, through putting up your hand when you have a spare moment for fundraising, and in many other activities, makes a huge difference to our school and the programs we can offer. We deeply appreciate your support.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Fitzroy High School understands that some families may experience financial difficulty and offers a range of support options and payment plans, which you can read more about on the following pages.

We look forward to working with all our Fitzroy High School families next year to support your child's learning, engagement and wellbeing.

Yours sincerely,

Adam Cribbes
